● SOLD · NO LONGER IN SERVICE

TFX0 · IMO 6404715 · Flag Iceland

● This vessel has been sold and is no longer part of the active fleet. Specification retained for reference and fleet history.

38.1m LENGTH OVERALL	301gt GROSS TONNAGE	7m BREADTH	4m MAX DRAUGHT	1964 BUILT · SANDEFJORD
--------------------------------	-------------------------------	----------------------	--------------------------	-----------------------------------

A former fishing vessel built in Sandefjord in 1964, Nord served OBI Guard as a guard & standby vessel. A versatile platform with low fuel economy, well suited to long stations. She has since been sold and is no longer part of the fleet; we keep her here as part of our history.
